# THE CHIEFTAINS

Six-time GRAMMY® Award winning **THE CHIEFTAINS** is arguably the best-known Irish band in the world, getting much of the credit for bringing Irish music to the world's attention. Having uncovered and embraced the wealth of traditional Irish music that has accumulated over the centuries, the group has made the genre its own with a style that is as exhilarating as it is definitive.

Never afraid to shock purists and push boundaries, **The Chieftains** has amassed a dizzyingly impressive resume. Ireland's official Musical Ambassadors have performed with symphony and folk orchestras worldwide, and have broken many musical boundaries by collaborating and performing with some of the biggest names in rock, pop, classical, and traditional music around the world. Through it all, the trappings of fame have not altered **The Chieftains'** love of, and loyalty to, its roots – its members are as comfortable playing spontaneous Irish sessions as headlining a concert at Carnegie Hall.

After more than forty years of making some of the most beautiful music in the world, **The Chieftains'** allure remains as fresh and relevant today as when it first began.
