Dear Valerie, Brendan and Gene,

We hope you will accept our warmest thanks and highest recommendations for your December performances of *Striking Twelve* at Westport Country Playhouse, as part of our 2011 Holiday Festival.

Timely and original, it was our sincere pleasure to have *Striking Twelve* on our stage and share your extraordinary talents with Playhouse audiences. Not only did these performances attract many of your loyal fans, but I know it created many new ones as well. You definitely have dedicated group of "Petal Pushers" here in Fairfield County!

From your company's arrival at the Playhouse through the final applause and post show receptions, the entire Playhouse staff was delighted with GrooveLily's high level of professionalism and generous spirit. Not only did you present a fantastic performance, which ran smoothly from load-in to load-out, you took the time to join in our holiday fundraising efforts at our post-show receptions, conversing with our donors and thoroughly enhancing their experience that evening. This was absolutely above and beyond the call of duty, and we are truly grateful.

Thank you again for sharing this wonderful show with our audience. We hope we have the opportunity to work together in the future.

Sincerely yours,

Michael Ross
