Heroes change the world. They do something nobody else had the courage to do. Whether they discovered a way to harness electricity or invented a new flavor of ice cream. Each of them started as a kid with a dream. Now they are heroes to us all.

“The Hero in You” introduces kids to thirteen real-life American heroes. From *Chief Joseph* to *Rosa Parks*, their remarkable, heroic lives motivate and encourage us all to aim high and try our best.

Among the heroes **ELLIS PAUL** sings and writes about:

- ALBERT EINSTEIN** – Science
- RACHEL CARSON** – Environment
- ROSA PARKS** – Civil Rights
- JACKIE ROBINSON** – Sports
- WOODY GUTHRIE** – Music
